

Certificate

Indoor Air Comfort

HORN Solid Wood

Certified Product

Horn Bordplader A/S

Applicant

The above product complies with the Indoor Air Comfort specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals.

Indoor Air Comfort combines all mandatory European regulations on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances are not combined or evaluated.

The following VOC regulations are combined and the certified product shows compliance with these VOC emission related limit values:

Belgium regulation
France VOC class A
Germany (AgBB/ABG)
Italian CAM Edilizia
EU Taxonomy Regulation

Product type: Wood based panel
Certificate number: IAC-333-01-02-2024
Issue date: 10 June 2025
Validity date: 10 June 2030

Thomas Neuhaus
Head of Certification Body

This certificate is valid as specified if regular surveillance and testing is done.

Product Testing

Appendix to Certificate IAC-333-01-02-2024
